# UNLV | ENROLLMENT AND STUDENT SERVICES

---

**Dear Matthew,**

Yesterday, the Office of Financial Aid & Scholarships sent financial aid notifications to those who have qualified for a distribution of HEERF funds.

Please [log in to your MyUNLV account](#) and review the 2021-2022 financial aid year to see the amount. Many of you may have an additional process to complete to let UNLV know how you want us to distribute your HEERF funds. The process entails completing an agreement to indicate whether you prefer to have the funds pay any remaining balance on your student account first or be paid directly to you in full. **Pay close attention to your email and the agreement language, as your choice cannot be changed.** Please complete the agreement no later than **April 29, 2022**. Remember to sign up for or update your direct deposit information, too!

Based on our information on file, we were able to provide more than \$18.7 million in emergency funding to over 21,300 UNLV students. However, we may not be aware of students who are still experiencing hardships. Please email [UNLVCares@unlv.edu](mailto:UNLVCares@unlv.edu) if you did not receive a HEERF allocation from this distribution and are experiencing housing or food insecurities or have other emergency funding needs. Include details about your needs and documentation as appropriate. Funding is limited, and all requests are reviewed individually. Please allow time for review and processing.

For non-HEERF-related financial aid questions, please [submit a case in the Self-Service Help Center](#), and we will be happy to help.

Keep well,

Zack Goodwin  
Executive Director
