2023-2024 Federal TEACH Grant Program - Verification

Student Name: _____ **NSHE:** _____

The UNLV Office of Financial Aid & Scholarships has received a Federal TEACH Grant Form for the above-named student. The U.S. Congress created the Teacher Education Assistance for College and Higher Education (TEACH) Grant Program that provides grant funding of up to \$4,000 per year to students who intend to serve as full-time teachers in a high-need field and in an underserved school for a minimum of 4 years

In order for our office to be able to process the student's Federal TEACH Grant, we must verify that the student is enrolled in approved coursework that will allow them to teach in one of the high-need fields or in one of the listed Nevada Shortage Areas and/or the U.S. Department of Education (ED) Teacher Shortage Areas. Please complete the information below and return this form to the above-named student to submit to the Office of Financial Aid & Scholarships via the [Rebel Success Hub \(Formerly known as the Self-Service Help Center\)](#) at unlv.today/service.

Note: Pre-majors and non-degree programs are not eligible for TEACH Grant funds
